If you know how your student is best organized, please purchase notebooks and folders that will serve that purpose.

For example:

PLASTIC accordion folder. Place a composition notebook labeled for each subject in each divider. Add some paper in the last pocket for easy access. The clear pencil pouch should be place in the very front pocket.

TRAPPER KEEPER of 2-3" 3 RING BINDER

Use plastic folders (no tabs) as dividers between subjects.

Wait to label each divider after the kids receive their schedules.

Place paper behind each divider.

Place clear zip pouch at very front of notebook.

The clear front will be used to place their goal cards in on Monday.

Use the clear zip pouch for: 3-5 pencils, a few cap erasers, compass and protractor (grades 8-12), and colored pencils

Since the lockers are small, we would like to make sure their "extra" supplies are consolidated and placed in a small pencil box or are stored at home until they are needed.
