If you know how your student is best organized, please purchase notebooks and folders that will serve that purpose.

For example:

PLASTIC accordion folder. Place a composition notebook labeled for each subject in each divider. Add some paper in the last pocket for easy access. The clear pencil pouch should be placed in the very front pocket.

TRAPPER KEEPER of 2-3" 3 RING BINDER (with clear insert on front) Use plastic folders (no tabs) as dividers between subjects. Wait to label each divider after the kids receive their schedules. Place paper behind each divider. Place clear zip pouch at very front of notebook. The clear front will be used to place their goal cards in on Monday.

Use the clear zip pouch for: 3-5 pencils, a few cap erasers, compass and protractor (grades 8-12), and colored pencils

We are trying to make sure there are no "extra" supplies stored in the lockers. Either place them in a pencil box in your locker or leave them at home until they are needed.
