If you know how your student is best organized, please purchase notebooks and folders that will serve that purpose. For example:

PLASTIC accordion folder. Place one composition notebook in the front. Add some paper in the last pocket for easy access. The clear pencil pouch should be placed in the very front pocket with a few pencils and erasers.

TRAPPER KEEPER of 2-3" 3 RING BINDER
Use plastic folders (no tabs) as dividers between subjects. Wait to label each divider after the kids receive their schedules. Place paper behind each divider. Place clear zip pouch at very front of notebook.

The clear front will be used to place their goal cards in on Monday.

***Families only need to bring ONE set up shared supplies.**

Since the lockers are small, we would like to make sure their "extra" supplies are consolidated and placed in a small pencil box or are stored at home until they are needed.
